PROFILE

I am a passionate technician utilizing my creative background, and software experience, to approach any issue in innovative ways. I have proven ability to establish and maintain excellent communication and relationships with employees and clients. Im able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

EMPLOYMENT HISTORY

Senior QA Engineer at Olivine Inc, Los Angeles
February 2025 — August 2025

Responsible for database development, streamlining, and internal tools development. Trained new employees on testing methods and best practices. Worked with the development team to instill better reporting and tasking procedures, as well as automation methodologies.

Senior QA Engineer at Goat Group LLC, Los Angeles
February 2022 — August 2024

Responsible for the CMS database development, internal tools testing, documentation, and all framework development testing. Led a team of 7 developers, as well as created video tutorials, orientation, and training for all other users of the CMS within the organization.

QA Analyst at DirecTV, los Angeles
April 2015 — April 2021

Responsible for new employee training, system diagnostics, and with my creative background, a focus on graphic interfaces. Extensive operations experience on multiple platforms including web, mobile, and television.

Senior QA Tester at Respawn Entertainment, Sherman Oaks
March 2013 — January 2015

QA Tester at Konami Digital Entertainment, El Segundo
July 2011 — June 2012

QA Tester at Microsoft, Redmond
August 2010 — October 2010

QA Tester at Griptonite Games, Redmond
May 2010 — July 2010

QA Tester at Gas Powered Games, Redmond
February 2010 — March 2010

EDUCATION

BFA in Illustration, Tyler School of Art, Philadelphia
September 2004 — July 2010

Achieved a bachelor’s degree in Illustration with a focus on digital/traditional illustration, design, and painting
